OUR INSURANCE.
YOUR ADVANTAGE.™

Karim Chandani is a Real Estate and Hospitality Consultant at HUB International's Barton Operations. Karim joined HUB International in 2014 with over 25 years of management experience, as well as a strong background in marketing and sales. Karim has a diverse client base from restaurants, hotels, commercial & apartment buildings to large food manufactures.

"I have always loved the hotel space and it is such a pleasure being able to work with hoteliers from across North America to ensure that their assets are protected". Karim focuses on delivering value and pricing to clients. He is a big believer in ensuring that the right coverages are in place for every business! "Anyone can sell you insurance but I will be supporting you and your business if and when a claim happens!"

Prior to joining HUB International, Karim managed the operations of a number of gas and retail stores and engaged in Marketing and Promotions with Hockey Canada. Karim was recognized as the North Vancouver Chamber of Commerce's Business Person of the Year.

Karim has also completed his Canadian Accredited Insurance Broker (CAIB) designation and his (CRIS) Construction Risk Insurance Specialist designation. Karim also graduated from The University of British Columbia's Sauder School of Business SME program.

Karim's goal with clients is to offer unique and valuable perspectives on today's ever changing insurance market, help clients navigate alternatives, assist in providing on-going advice and consultation, helping clients avoid potential land mines and educate on new issues and outcomes for the client's insurance needs.

"I use my risk management skills to help you focus on your business. This gives you the freedom to drive revenue" says Karim.

I look forward to assisting you with your business insurance needs.
